

**Presentation Form
Ethics for Clinicians
January 26, 2021**

Presenter Bio

Darcy Moschenross, MD, PhD
Assistant Professor of Psychiatry
University of Pittsburgh School of Medicine
Pittsburgh, PA

Dr. Moschenross completed a MD PhD program at University of Connecticut School of Medicine in 2011 and then went on to residency and psychosomatic/CL fellowship at University of Pittsburgh Medical Center. She is currently an Assistant Professor at WPIC/UPMC and works on the Consultation-Liaison (CL) service as the medical director of the CL service at UPMC Presbyterian and Montefiore Hospitals. She is interested in ethics in healthcare, proactive/integrative care, and consultation liaison psychiatry.

Name and Narrative Description of your Presentation

Ethics in Practice: An Introductory Guide to Decision Making in the Medical Setting

This course will provide an introduction to ethical principles in the medical setting, including the core principles of medical ethics and how these translate in in the hospital, we will also discuss how to assess capacity in clinical practice , how to document, who to get involved if/when needed.

Target Audience:

All medical professionals, behavioral health professionals

Three (3) learning objectives

By the completion of this session, participants should be able to:

1. Discuss the basic ethical principles guiding medical decision making
2. Recognize methods for tackling challenging clinical decisions
3. Accurately document situations involving ethical and challenging medical and clinical decisions.

Three (3) current (within the past 10 years) peer-reviewed publications that support the evidence base for the content of your presentation

1. Howe E. G. (2020) Beyond Determining Decision Making Capacity. *The Journal of Clinical Ethics*. 31(1), 3-16.
2. Elwyn G. (2015) Implementing shared decision-making: consider all the consequences. *Implementation Science (11)*:114.
3. Barstow C. (2018) Evaluating Medical Decision-Making Capacity in Practice. *American Family Physician*. 98(1). 40-46.
